Accidental Locavore Recipe for Corn Soup

The Accidental Locavore can't think of a cozier place to be on a snowy January day, then in the kitchen. Rather than shovel snow, or worse, get stuck watching football, the Locavore thought it was time for corn soup. This recipe is adapted from Bobby Flay's *Bar Americain* cookbook has intrigued me since this summer.

Calcu 2008 Carménère Reserva: Bordeaux's Chilean Cousin

Towards the end of last year, the Accidental Locavore was sent a bottle of Chilean wine to taste and review from the Thomas Collective. I met one of their people on the Brooklyn Pizza Tour. When they sent it, they had no way of knowing my affinity for things Chilean. A good friend of mine is a diplomat from "that string bean of a country" as he would call it and it's through him that I first learned to appreciate their world-class wines.
