Dear Friend,

I am very excited to share with you the launch of my new website, www.accidental-locavore.com! The Accidental Locavore is all about enhancing your experience with food, cooking and of course, eating. On the Accidental Locavore website, you will love discovering new things:

1. **Read** the [blog](#): It offers an eclectic mix of new discoveries; what I've been cooking, eating and thinking, all with an emphasis on local and fresh. Check out new posts every Monday or better yet, [subscribe](#) to the blog. To make it even easier, sign up for the [newsletter](#) and stay "in the know" with all the latest info delivered to your inbox every Tuesday. How much easier can inspiration get?

2. **Shop** with new sources, innovative recipes and loads of inspiration from chefs, farmers, shops, books and more. Share [my passion](#) for cooking (and eating!) with new products, foods and ideas. Don't miss my favorite locavore tips and food fixes so even your accidents come out tasting great! Learn how to pick the best of the season whether you're shopping at a roadside stand, farmers market or a big box supermarket.

3. **Cook** and have fun with [recipes](#)! Be inspired by new recipes posted every Friday ...just in time for weekend play in the kitchen. And join our weekly [Cook-Along](#) as we explore exciting recipes from the cookbooks we forgot we had.

I look forward to you becoming part of The Accidental Locavore community at www.accidental-locavore.com, and please [let me know](#) what you think of the site.

Best,
Anne Maxfield
