Accidentallocavore®

Dear Friend,

Happy New Year! We're starting it off with a winter classic--raclette (and if you can't get enough, check out the calendar-charcuterie and cheese). Recipes took a break for the holidays, but will be back next week.

Why don't you invite your friends [to sign up](#) for the newsletter? Or you can click the icons above the logo to send to a friend, Twitter, Facebook, or LinkedIn.

Enjoy!

Raclette (Yes, Again. Can't Get Enough)

Coming on the heels of a recent Wall Street Journal piece about the lack of RSVP's, the Accidental Locavore was only a little surprised to see so few people at a recent gathering. It was a raclette dinner for journalists at the French Cheese Board. The minute I finished reading the invitation my RSVP was sent!

As it turned out, it was a fun, intimate dinner with a bunch of raclette-crazed people along with a couple of newbies (to raclette) who quickly got into the spirit.

January Calendar

Raclette with charcuterie is a perfect dish for January (and you weren't serious about the diet, were you?).
