#### A Gift of Charcuterie

As you may have read here recently, the recipe for Croque Monsieur was recently used on Gourmet Food Store. That was followed up by a very generous offer to send me some charcuterie to taste and before I knew it, a big box of goodies was on my doorstep.

#### Thai Style Mint Fried Rice

One of the cool things about the CSA (Community Sponsored Agriculture) that the Accidental Locavore joined this year is that you can pick out your own stuff. Depending on the size of your share, you can (for the past two weeks, anyway) pick five different items. For me, it becomes a veggie version of *Chopped*.
