The Accidental Locavore on Emeril's Table

On November 7th, the Accidental Locavore will be one of the locavore guests on Emeril's Table (11:00 EDT on the Hallmark Channel). Besides being a lot of fun, I learned a lot and met some great fellow locavores. But you want to know what we ate, right?

What Do You Think Are Essential Cookbooks?

Have you ever thought about the one or two cookbooks you use that are essential? The Accidental Locavore just got through reading Amanda Hesser's piece in the NY Times, when my BFF asked me for a cookbook recommendation. She wants a good starter book for a friend who has just moved into her first apartment and I remembered the Times article.

When you read what other people consider crucial and you own the book, don't you immediately want to run to the bookshelf and review it? I do.
