## Dear Friend,

Appologies if the pictures are from last week, but you can see the beautiful photos if you click through.

Dealing with multiple computer issues and poison ivy just on the spot where my arm hits the desk.

I feel like I've been saying this every month, but do you believe it's October? [This month's calendar](#) features some unusual pumpkins I found at a farmers market in Maine.

Have you ever wondered why your kitchen doesn't/never looks like the one in photos? See if you agree with [my three reasons why](#). Continuing on with my plethora of plums, this time a [delicious plum cake](#) that you can swap out the plums for your favorite fruit.

If you know anyone who is into food and fun, please ask them to [sign up for the newsletter](#) and get a treat every Tuesday. Or you can click the icons above to send to a friend, share on Twitter, Facebook, or LinkedIn.

If there's anything you'd like to see more (or less) of, you can always let me know by replying to the email or commenting on the blog.

Enjoy!

Anne
