Dear Friend,

Sometimes a recipe looks good on paper and then surprises you by being great for a lot of other things. [See what you think of this week's recipe.](#)

Not on my list, but certainly a pleasant surprise, lots of great artisanal bread. My newest fave is [January's calendar.](#)

Don't forget about the other venture, [Hudson Valley Eats](#). We're taking on the food scene in the Hudson Valley--restaurants, distilleries, markets, farms, all of it.

Wouldn't your food loving friends like to get a treat every Tuesday? Forward this to them and they [can sign up for the newsletter](#). Or click the icons above to send to a friend, share on Twitter, Facebook, or LinkedIn.

Enjoy!

Magic Sriracha Sauce Recipe

This magic sauce came about when I was looking at Tracey Medeiros' *The Vermont Non-GMO Cookbook* recently. Her Brussels Sprouts with a Creamy Sriracha Dipping Sauce was one of the recipes that jumped out at me!

Two things we really like—Brussels sprouts and Sriracha, seemed like it would be a great dish, but if you're not a sprout fan, just skip down to the sauce.
