Imagine my surprise when I found that in back of one of our [favorite lunch spots](#), [cookies were being made](#) and sold!

If you want to try making your own, this is the [recipe that inspired me](#).

March means it's almost spring and the days are getting longer! Not sure what this chocolate salted caramel tart has to do with any of that, but it looks (and tasted) great! [Calendar now](#), recipe soon.

Wouldn't your food loving friends like to get a treat every Tuesday? Forward this to them and they [can sign up for the newsletter](#). Or click the icons above to send to a friend, share on Twitter, Facebook, or LinkedIn.

MeOhMy Cookies: The Best Chocolate Chip Cookie?

For a while, I'd given up my quest for the best chocolate chip cookie. All the ones I'd made were acceptable, and we ate them, but nothing had come up to the gold standard set a few years ago at a lunch for Blue Star Ranges.

However, that was about to change and right in my backyard, so to speak.

In the back of Jeanie Beans, our favorite lunch spot, there's a whole cookie making operation going on. [Cookies:](#)

Chocolate Chip Cookie Recipe

At the recent trip to the BlueStar range factory in Pennsylvania, the Accidental Locavore had the best chocolate chip cookies ever! It could have been the result of a superior oven, but hopefully they can be duplicated even in my less-than-stellar one. This makes about 24 4" cookies. [Recipe:](#)

March Calendar

Made this chocolate salted caramel tart the other night. Recipe soon and yes, it does taste as good as it looks!
