Dear Friend,

Are there dishes that you always think, "Oh I should make ___ more often"? [This week, we look at one of them on my list.](#)

September always makes me sad--it's the end of summer, so I picked this [pile of peppers](#) for the calendar to cheer up the transition.

Wouldn't your food loving friends like to get a treat every Tuesday? Forward this to them and they [can sign up for the newsletter](#). Or click the icons above to send to a friend, share on Twitter, Facebook, or LinkedIn.

Wild Mushroom Risotto

Don't you have some dishes that you love to eat and rarely cook?

Risotto is one of them for me. It's really easy, just requires a bit of a commitment and you have a delicious dinner.

When I came upon an incredible bunch of chanterelles at the farm recently, I knew immediately what they were destined for.
