Accidental Locavore: Recipe for Quick Chickpea Salad

Last week the Accidental Locavore met a friend at French Roast for lunch. With my lamb sandwich, there was a delicious chickpea salad. We gobbled it down and tried to figure it out. Turns out to be super easy to make and so good! This will feed two hungry people as a side salad and can be made in about 10 minutes.

Do You Obsess Over Grilled Cheese? What's Your Favorite?

The Accidental Locavore often wonders why people get obsessive about certain grilled cheese sandwiches. Is it just a competitive New York thing? Not that I have anything against grilled cheese – it's a great sandwich! It's just that it's not a big deal to make—two slices of bread, cheese, butter and a pan. Probably the second sandwich you learned how to make as a kid.
