Dear Friend,

Unless you're one of those (weird) people that don't like cheese, there's a [great cheese store](#) in Kingston you should know about.

No, it's not authentic, but this is my go-to [tabouli recipe](#) that I start making as soon as we get good tomatoes.

I'm now review restaurants for [Organic Hudson Valley Magazine](#) and got to eat a lot of oysters for my first piece.

Don't forget to check out the new venture, [Hudson Valley Falls](#). We're taking on the food scene in the Hudson Valley—restaurants, distilleries, markets, farms, all of it.

Watermelon is such a summer treat. [Check out the August calendar](#) and feel cooler instantly.

Wouldn't your food loving friends like to get a treat every Tuesday? Forward this to them and they can [sign up for the newsletter](#). Or click the icons above to send to a friend, share on Twitter, Facebook, or LinkedIn.

Enjoy!

Cheese Louise: Equal Opportunity Cheese Lovers

I love exploring markets and shops wherever I am and, especially, shops with a distinct point of view.

When I first went into Cheese Louise, I wasn't expecting to find great cheeses in what I thought was in the middle of nowhere.

Wrong on all counts.

Tabouli

Tabouli is one of my favorite summer salads.

If you can be patient and wait for really good, ripe tomatoes the results will be so much better, but if you can't just use the best ones you can find.

It's easy to make and this will serve about 4.

August Calendar

Watermelon, feta and mint.

What could be cooler?
