## Dear Friend,

Working on my winter reading list. First up: *Provence, 1970*. Then, a roasted celery root soup seemed like a good idea for lunch. The recipe is below. If you have a friend or two who might like the newsletter, why don't you suggest they sign up by forwarding this email? Or you can click the icons above the logo to send to a friend, Twitter, Facebook, or LinkedIn.

Enjoy!

## Provence, 1970: a Review

On the surface, *Provence, 1970* would look to be the perfect read for the Accidental Locavore. It's about one of my favorite places, the South of France. It's about Julia Child and James Beard and MFK Fisher and Richard Olney and Simone Beck, and, and, and. It's about how they all convened in this place at that time and ate great food, drank great wine, had great conversations and saw great sights.

## Celery Root Soup Recipe or Cleaning Every Large Pot
