## Dear Friend,

What do you think about [red wine hot chocolate](#)? On Sundays in the winter, I love to curl up with a book and some cheese and crackers. This weeks recipe for [quince chutney](#) goes really well with cheese. Give it a try.

No recipes or radio show this week, but the show will be back next week. See below for my guest.

January certainly is a soup month and [this month's calendar](#) shows one of my favorites, soupe aux poissons. It's also one of my resolutions to start making it!

How about sending this on to some food loving friends and asking them to [sign up for the newsletter](#) and get a treat every Tuesday? Or click the icons above to send to a friend, share on Twitter, Facebook, or LinkedIn.

Enjoy!

## Hot Chocolate. With Red Wine?

The Accidental Locavore was moved to make myself a mug of hot chocolate and write this piece after an article in the NY Times\* about this new "thing."

Dubbed red wine hot chocolate, it was the mash-up of 2016.

Or mess-up, depending on your point of view.

## Quince Chutney

After making the lamb and quince tagine, the Accidental Locavore still had a few quince rolling around the kitchen.

This chutney looked like an interesting way to put them to good use and I happened to have all the ingredients on hand – always an incentive!
