What's a Lemon LuLu Cake?

I'd never heard of a Lemon LuLu Cake, but happily, that changed recently.

To me, there's nothing better than a surprise package arriving on my doorstep with something delicious inside!

Sweet or savory, packages bearing food are always welcome!

Also great is finding out about something yummy that you didn't even know existed.

Mother Myrick's, of Manchester, Vermont, happily filled both those roles recently.

Caramelized Peaches

Do you have recipes that you've used a lot in the past and then somehow they get lost in the shuffle?

For the Accidental Locavore, it's often a combo of the thrill of the new along with some old favorites that push the good-but-not-part-of-the-repertoire aside.

But these peaches are too good to get lost in the shuffle!
