DIY Steak Sauce Recipe

The other night, the Accidental Locavore was getting ready for dinner, which was going to be burgers on the grill, when Tasting Table posted a recipe for grilled bacon with steak sauce. Hmm, I thought, why not bacon burgers with steak sauce, so I made a batch of the steak sauce in question, which seems to originate from Peter Luger's (an extremely overpriced steak house in Brooklyn, if you by some chance haven't heard of it). No. 9 Restaurant, Millerton

Like things, good food happens for a reason. Such was the case on the Accidental Locavore's birthday. My husband thought he made reservations at Serevan, but when we pulled up, it appeared to be closed (and it was). We headed off towards Millerton, to see if we could get a table at No. 9, a favorite with friends of ours.We pulled into Millerton, I went in and told the hostess our tale of woe.
