Accidental Locavore: Winter Tomato Sauce Recipe from Haven's Kitchen

This is an amazing and simple tomato sauce the Accidental Locavore had at the gnocchi class at Haven's Kitchen. It's very simple but takes time for the tomatoes to cook down and develop their incredible flavor. Makes a lot, so be prepared to have a big pasta party, can or freeze.

Pinch: Playing With Your Food

Admit it, there are days when, like the Accidental Locavore, you still (ignoring your mother's advice) play with your food. But would you ever create a business around it? Pinch Food Design is a catering company based on people playing with their food, bringing a fun, creative edge to entertaining.
