Smoked Trout and Potato Salad Recipe

As things sometime turn out, the Accidental Locavore had just finished reading a recipe for smoked trout with potatoes from April Bloomfield's *A Girl and Her Pig* when my husband started talking about how much he liked smoked trout, a factoid I filed away for future reference. A week later I was at the last indoor version of the Rhinebeck Farmer's Market, where one of the vendors had some lovely looking smoked trout. I got one and proceeded to give April's recipe a shot.
