A Friend of the Accidental Locavore's Recipe for Greek Ratatouille

Have you ever gotten a recipe you just had to try, but knew you were going to fiddle with? The Accidental Locavore's friend Amie Gartenberg had this Greek version of a ratatouille over the summer and said it was just delicious. I used it with the last of the eggplant and peppers and a few other things (well, a lot of other things). Trust me, it's forgiving!
