Dear Friend,

Sometimes a [classic restaurant](#) is a welcome change from the trendiest places.

We've been getting some beautiful lettuce from our CSA which inspired me to revisit [this great Thai pork dish](#).

My latest piece for [Organic Hudson Valley](#) is up, this time it's an Italian restaurant in New Paltz.

Fall salads are never out of the question with these beautiful lettuces from Obercreek Farm gracing the [October Calendar](#).

Don't forget about the other venture, [Hudson Valley Eats](#). We're taking on the food scene in the Hudson Valley—restaurants, distilleries, markets, farms, all of it.

Wouldn't your food loving friends like to get a treat every Tuesday? Forward this to them and they can [sign up for the newsletter](#). Or click the icons above to send to a friend, share on Twitter, Facebook, or LinkedIn.

Enjoy!

Charlotte's

There are some restaurants that are classics, frozen in time—places that seem to have been around forever.

A gastronomic tweak here or there to make them seem relevant and business pours in year after year. Charlotte's in Millbrook is one of those places.

Thai Ground Pork in Lettuce

This Thai ground pork recipe requires a little chopping but the results are worth it.

Serve it wrapped in lettuce leaves or over some jasmine rice.
