Dear Friend,

Since it's been so warm out, take advantage of it and grill up some of these pork skewers. Let us know if you agree that they're like <u>"pork candy"</u>.

Some perfect basmati rice would be great with the pork. This recipe really does make it perfectly!

My latest piece for Organic Hudson Valley is up, this time it's an Italian restaurant in New Paltz.

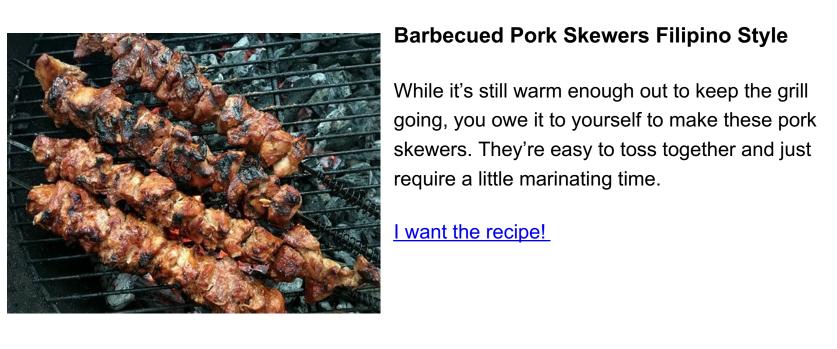

Fall salads are never out of the question with these beautiful lettuces from Obercreek Farm gracing the October Calendar.

Don't forget about the other venture, <u>Hudson Valley Eats</u>. We're taking on the food scene in the Hudson Valley--restaurants, distilleries, markets, farms, all of it.

Wouldn't your food loving friends like to get a treat every Tuesday? Forward this to them and they <u>can sign up for the newsletter</u>. Or click the icons above to send to a friend, share on Twitter, Facebook, or LinkedIn.

Enjoy!

Making Perfect Basmati Rice When I was looking at *Made in India* at a recipe for "Perfect Basmati Rice" I was skeptical. How much better was this than my normal way? There are a lot of cultures that are really particular about how rice is cooked, much like how the French judge a cook on how perfect an omelet they turn out, but working harder to make "perfect" rice wasn't on my bucket list.
