Win 2 Tickets to the NY Botanical Gardens' Edible Garden Festival

Attention loyal Locavore fans! Here's a great alternative to sitting around watching men in padded pants toss a weirdly-shaped ball around. How about spending Sunday, September 23rd at the New York Botanical Gardens? They've kindly given me two tickets to the Edible Garden Festival.

Your day – "a delectable day of culinary activities" – includes exploration of Mario Batali's kitchen garden, cooking demos, recipes, food sampling, a cooking demo by Mario himself and an all-access pass to the NY Botanical Garden. While I can't guarantee the weather, I'm sure you'll have a great time and eat well!

Grilled Corn Salad

As much as the Accidental Locavore loves corn on the cob, there does come a time, later in the summer, when a little variety is welcome. This is a great side dish salad, adapted from Food & Wine. I served it with some grilled pork chops, but it would work with just about anything.
