Dear Friend,

Sometimes you just have to take one for the team, right? So when a [new smoked salmon place](#) invited me to come and visit, what was I going to say?

My latest restaurant review is up on [Organic Hudson Valley](#).

Thought it was time for some flowers and I love these green and white tulips. [Download the April calendar](#) and use it as your desktop wallpaper.

Wouldn't your food loving friends like to get a treat every Tuesday? Forward this to them and they [can sign up for the newsletter](#). Or click the icons above to send to a friend, share on Twitter, Facebook, or LinkedIn.

Enjoy!

Hookline Fish Company

Who doesn't like smoked salmon?

And who wouldn't jump at the chance to explore a smokehouse and store to learn about and taste some great smoked salmon?

Go hungry because there's a stretch of Route 28 in Kingston, New York that is becoming a destination for lots of great food. Hookline Fish Company turned out to be next door to my favorite local cheese shop, Cheese Louise. One-park shopping at its best!
