RealEats

If "cooking" a meal from Blue Apron is too much work for you, or you're challenged for good take out or delivery, RealEats might be just what you need.

It's a weekly meal delivery service, with a rotating menu of about 18 entrée choices. They're all single portions, which is great if you've got a family that has mixed food preferences. You can feed them all something they'll enjoy at the same time and only

have one pot to deal with.
