Dear Friend,

What happens when your favorite spot for croissants closes for 6 months? [You rush to the reopening!](#)

March means it's almost spring and the days are getting longer! Not sure what this chocolate salted caramel tart has to do with any of that, but it looks (and tasted) great! [Calendar now](#), recipe soon.

Wouldn't your food loving friends like to get a treat every Tuesday? Forward this to them and they [can sign up for the newsletter](#). Or click the icons above to send to a friend, share on Twitter, Facebook, or LinkedIn.

Apple Pie Bakery Café

The Apple Pie Bakery Café was always one of my favorites at the Culinary Institute of America, or CIA as it's affectionately known in these parts. I wasn't the only one and recently they decided to close for a few months to renovate the space. Luckily, during that time croissants, bread and pastries were still available to take out, so life could go on.

The café reopened recently, and we were anxious to

see how it turned out.
