Dear Friend,

It's been crazy busy! We're getting ready to put our house on the market, so this week we're revisiting a [great chicken recipe](#) with mustard(s) and bacon. Enjoy!

Since I thought we'd lost our dogwood in the March storms, I'll let it be the calendar photo for May. [Download the May calendar](#) and use it as your desktop wallpaper.

Wouldn't your food loving friends like to get a treat every Tuesday? Forward this to them and they [can sign up for the newsletter](#). Or click the icons above to send to a friend, share on Twitter, Facebook, or LinkedIn.

Enjoy!

Chicken With Mustard and Bacon

Frank requested chicken with mustard "like the pork chops you make" last night.

I had just enough bandwidth to get it done (being in the throes of putting the house on the market) and thought it would be a good recipe to remind you of.

May Calendar

I thought this dogwood was a goner after the winter, but our tree guy saved it!

Here's to spring (finally)!
