Dear Friend,

When I'm not playing in the kitchen, hunting down interesting shops and places where I can find unique ingredients is always fun. [This one even does some speciality take-out.](#)

I've been working on a post about the recipes on the site that I return to time after time. In the meantime, below you'll find my [favorite broccoli soup](#).

Something sweet to end the year with--a batch of biscotti for the [December calendar](#). [Here's the recipe](#) if you feel like making a batch.

Wouldn't your food loving friends like to get a treat every Tuesday? Forward this to them and they [can sign up for the newsletter](#). Or click the icons above to send to a friend, share on Twitter, Facebook, or LinkedIn.

Enjoy!

Haddad's Middle Eastern Grocery

How nice to have a Middle Eastern grocery close by and how nice to now have them serving food to go!

Haddad's is on a non-descript block of Poughkeepsie's Main Street and has been there for a couple of years. Recently, they started serving up falafel, shawarma and other Middle Eastern specialties.

Better Broccoli Soup

After a disappointing batch of roasted broccoli soup, I was on a quest to find a better recipe. This one from the *New York Times* definitely fit the bill with broccoli and potatoes.

And you think you're being healthy, no milk or cream, but there is a good bit of butter and oil. Serves 4-6.
