## Chocolate Toffee Crack

If one of your New Year's resolutions is to cut back on sweets, you'd better get busy or...

You may want to stop reading here.

## Yorkshire Pudding

At my house, if there wasn't a Yorkshire pudding Christmas dinner was a bust. My mother always used a well-worn copy of The Joy of Cooking for hers and it worked no matter how many glasses of champagne had been downed.

I've been in charge for the past couple of years, and haven't had the Joy to refer to, so I've been using this recipe that I've adapted from Serious Eats. It's worked out just fine.
