Dear Friend,

Happily bad meatballs are few and far between (and you know I'd never give you a bad meatball recipe). [These lamb ones](#) from a new cookbook are delicious, easy and can be made ahead of time.

I love dried apricots and thought these looked delicious, so they're the [January calendar](#) (beats snow scenes n'est pas?).

Wouldn't your food loving friends like to get a treat every Tuesday? Forward this to them and they [can sign up for the newsletter](#). Or click the icons above to send to a friend, share on Twitter, Facebook, or LinkedIn.

Enjoy!

Lamb and Feta Meatballs

These lamb meatballs are the first thing I've made from Ottolenghi's new Simple, but although they're also the second thing I've made from the book, there are a lot of other great looking recipes.

Funnily enough, friends of mine sent me a photo of what they had made from the book—lamb meatballs with feta.
