Dear Friend,

The potential for a big winter storm made me think about comfort food. This time? Spaghetti and meatballs. There's a [weird twist to this recipe](#), but it makes great meatballs.

Stealing a thought from Smitten Kitchen you'll find a look back at what I was working on last year. I've loved [Raema's spices](#) since I first discovered them and use them all the time.

I love dried apricots and thought these looked delicious, so they're the [January calendar](#) (beats snow scenes n'est pas?).

Wouldn't your food loving friends like to get a treat every Tuesday? Forward this to them and they [can sign up for the newsletter](#). Or click the icons above to send to a friend, share on Twitter, Facebook, or LinkedIn.

Enjoy!

Anne

## Classic Meatballs

Every now and then you need a meatball fix.

And if you just want the comfort of spaghetti and meatballs this recipe is just what you're looking for.
