Dear Friend,

This [corn salad is pretty amazing](#) and you'll want to give it a try.

Another one of [my favorite summer salads is tabouli](#) and while tomatoes are ripe, it's a perfect time to make it.

All year round, we wait for August and perfect tomatoes. [Here they are as this month's calendar.](#)

## Your New Favorite (Corn) Salad

Even though I was in the throes of moving, when I saw this corn salad recipe on the Smitten Kitchen site, I paused and made it for lunch for friends who were helping us. Just give yourself a little time for the onions to pickle.

## Tabouli (Couscous Salad)

Tabouli is one of the Accidental Locavore's favorite summer salads.

If you can be patient and wait for really good, ripe tomatoes the results will be so much better, but if you can't just use the best ones you can find.
