Dear Friend,

How do you feel about leftovers? I used to love them, [but now...](#)

I was going to [make a curry](#) with my leftover duck, but then I came across this recipe [for rice with duck and chorizo](#). What to do? Either would work if you still have turkey or other poultry leftovers.

Can you believe it's December already? [These flowers](#) for the calendar should brighten a dull December day.

Wouldn't your food loving friends like to get a treat every Tuesday? Forward this to them and they [can sign up for the newsletter](#). Or click the icons above to send to a friend, share on Twitter, Facebook, or LinkedIn.

Overwhelmed by Leftovers

Leftovers.

This is probably the worst time of year to decide that I've fallen out of love with them.

I used to think leftovers were great—what's not to like? Good food with little or no cooking and no food waste.

And it was fun to think of new ways to repurpose food.

Rice with Duck Confit, Olives and Apricots

Duck confit and dried apricots are probably not pantry staples for most people, but it just happened that I had both hanging out in my kitchen so thought this was an interesting way to put them to use.
