Pickles: Easy and Easier

Pickles are so easy, and these two recipes will have you making them again and again. I always have a jar of the sliced pickles in my fridge and the fermented ones are like the ones I miss from Gus' in the city.

Chicken Shawarma

Both the Accidental Locavore and Frank saw this on the *NY Times* website and thought it looked great, so it wasn't long before it became dinner. While you probably want to start it marinating ahead of time, the actual cooking process is pretty quick and easy.
