Dear Friend,

The end of the summer brought some beautiful eggplant and tomatoes to our CSA. The [eggplants were going to be used for a curry](#), and they did, just not the one I originally thought. Still great though!

This [Thai duck curry](#) was where I thought I'd use the eggplants, but...

I saw these butternut squash (squashes?) at the farm recently and thought it was a good calendar photo. [Welcome November](#).

## Eggplant and Tomato Curry

I had a pile of Japanese eggplants from our CSA that were supposed to go into a Thai duck curry, but the duck leftovers disappeared. This looked like a good vegetarian/vegan way to use up those lovely eggplants.

## Thai Duck Curry

Duck curry is one of the things we always order in a Thai restaurant, so it seemed like the perfect use for our leftover slow-roast duck.

This feeds about 4-6 and comes together in the time it takes to make a pot of jasmine rice (hint, hint).
