Dear Friend,

First, birthday wishes to my husband, dad and cousin. So many Libras...

I don't know what it means, but I've been craving pork chops lately. [This new recipe is pretty good.](#)

But will it outrank an old favorite? [This week's look back recipe](#), is something I make by heart now. Why don't you make both and let me know what your favorite is?

My favorite apple cake, graces the [October calendar](#). [Want the recipe?](#)

## Pork Chops With Rosemary and Capers:

I picked up some nice looking poblano chiles from my CSA last week. This looked good, with a chorizo and goat cheese stuffing and breadcrumb topping.

## Pork Chops With Cornichons and Dijon

There's a lot of great local pork these days. Here's a delicious recipe for pork chops with Dijon mustard and French cornichons.
