Dear Friend,

GIR--Get it Right, is one of my favorite manufacturers of kitchen gear, so when they announced a big new product expansion, I was happy. [What's new?](#)

I can't believe the whole summer went by and I made no pesto. Made up for that with some [arugula pesto](#), this week's lookback recipe.

My favorite apple cake, graces the [October calendar](#). [Want the recipe?](#)

## GIR: Get it Right (Again)

GIR (Get it Right) has been a favorite of mine since the beginning.

My GIR mini spatula gets used daily and I think their silicone lids are just genius for so many things.

So, when they announced a major product expansion and asked if I wanted to try some of the new items, you know I jumped at the chance.

## Arugula and Basil Pesto

I grabbed some arugula at the CSA recently with the intention of making this pesto.

It's an old favorite of mine--a lemony pesto with arugula taking the place of some of the basil.
